**2018 Annual General Assembly
Lausanne, Switzerland, June 15, 2018**

DSE Managing Committee's Motion

DSE-Statutes

Moved, to amend the statutes Article 9 as follows:

old	new
<p>Organisation of the General assembly At the general assembly each full member and associate member has one vote. Provisional members are not entitled to vote.</p>	<p>At the general assembly each full member and associate member whose membership fee is not overdue 15 days before the meeting of the general assembly has one vote. Provisional members are not entitled to vote.</p>

Reason:

We do not have a paragraph in the DSE Statutes at the moment, which defines what happens to the DSE members who do not pay the fee. The idea behind is, that members who have not have paid the fee, should also have no voting rights at the annual AGA.

Process:

Art. 9 DSE Statutes

Decisions to amend these statutes require three (3) months" written notice to the general secretary and a two---thirds (2/3) majority vote (the sum of the given yes votes is at least two times as high as the sum of no votes).

Furthermore, any proposal to amend the Statutes of DanceSport Europe must be approved in advance by WDSF.
